**“I want my whole team to succeed, not just me, all of us.”**

Good day Lions of District 31-I,

Today we are preparing ourselves to lead more effectively and grow stronger as a club and as a district.

This year our focus is clear; Membership Growth, Meaningful Services, and Strong Leadership, and today is where that work begins.

It is about stepping into responsibility, it is about service that truly reaches people and changes lives, which turns into membership. That is who we are, and that is exactly why these goals matter.

The goals for District 31-I are as follows:

These are not separate goals they work together, and it is how we can help to move the district forward.

1. Membership – Each Club is asked to sponsor three(3) new members. If we want to grow membership, we have to build clubs that people want to be a part of.
2. Service – Each club is asked to report their services in the Lions Portal, we want to bring our reporting up to 100% - If we want stronger service, we need Lions who are willing to step up and help with the service reporting.
3. Leadership – Each club is asked to promote their membership by mentoring our new Lions through encouragement. If we want to develop strong leaders, we have to give them the tools by training them, everything else including growth and service will follow. Strong leaders build stronger clubs, stronger clubs attract and retain members, and growing clubs serve more people in more meaningful ways.

What District 31-I needs now, what your Club needs now, are active, engage lions, people who are willing to step up, take the initiative and make things happen.

Jennifer Merry

The question is whether we are willing to act, not someday, not when we feel ready, but now. Every single one of us has the ability to strengthen our clubs, whether that is helping it to grow, improve how we serve or stepping into leadership.

So, here is my challenge to District 31-I Lions and Leos:

- a. Make a decision on how you will help your club grow.
- b. Decide on ways to strengthen your club services.
- c. Take a bold step towards leadership.

Yours in Lionism,

Lion Sandy Fraser-Thomas

District Governor

## Thank you Lions

When you get this newsletter, I will be a past District Governor. I would like to thank each club and each Lion in District 31I for your support this year.

We have accomplished a lot. We led the State with our Brighter Visions giving. We will be close to a plus membership. You gave more for Camp Dogwood with the ticket sales. You also gave more for LCIF than last year.

We lost two clubs, Derita and Elkin, but we gained a new club in Wallburg.

I want to thank my Governor team. Governor elect Sandy has done a great job. Please support her this coming year. Thanks also to

1

st VD elect Chris for the job he did as District Brighter Visions Chair, \$163,000 at the time I wrote this. Thank you for your hard work in making District 31 I one of the best in the state.

Thank you again  
PDG Steve Cline

HELLO fellow Lions!!

It's hard to believe we've ended this Lion's year! I know you're reading this in our new Lion's year under DG SANDY, but let's look back & remember what we accomplished under DG Steve Cline. We were able to help contribute to Tiny Homes to be placed in the mountains in areas that were hit by Hurricane Helene, that were affected, Lions went up in the mountains to cook & serve meals to those as well as provide needed supplies. We also set records in Brighter Visions contributions with monies collected from our district & sent in! For the first time in a long time, every Club was credited with a BV contribution in our district! We also added the Wallburg Lions Club to our district with lots of help from PDG David Smoot, PDG Kathy Poirier & PDG Mike Edwards, with DG Steve helping to get this Club across the finish line! And what a time we had at our district convention, with an increase in Lions attending this event! With our Fun Night & Jeopardy, the money we raised from our Tail-Twisters Auction, our BV Boutique & Zone Basket Raffle, our great seminars & our DG Banquet with our visiting ID speaking & giving a great speech, it was a great success! DG Steve Cline, you've had a great year! I was proud & honored to be part of your leadership team! THANKS for ALL you did for Lionism, Lion Steve Cline! CONGRATULATIONS!

Yours In Lionism,  
1st VDG Chris Beck

---

Hello, let me introduce myself. I am your new Second Vice District Governor Eddie Garmon. I have been a member of the Mount Pleasant Lions Club for 30 years.

Becoming the second vice district governor was not an enjoyable experience for me. Writing my letter of intent and my bio are not my favorite things to do. However, it forced me to think about my years of service in the Lions Club. I remember shortly after joining I asked the Late PDG Gene Hough what I needed to do to become the Lion of the Year and he told me "Everything". In some ways that is true. I helped with our clubs Brunswick Stew, Fiddlers Convention, our town's flag display and our football concessions stand. I love to volunteer because it gives me something to do. At one point, I worked almost every Saturday in the fall for 15 hours in our football concessions stand. After doing this for a few years, I was burnt out and needed a break. I stopped doing as much in the club because it felt like I was not getting support from my other club members. Then one day someone told me they needed my help to sell brooms at the local convenience store. I was excited to hear and it changed my attitude.

Now I am about to start another chapter in my Lions Club journey. I am very excited, and somewhat apprehensive, about the upcoming year. I know it will be an opportunity to meet and get to know other amazing Lions in our district but, on the other hand, I know it will take some extra time dedicated to the Lions on my part. I have already been reprimanded by the higher ups for not showing up for our district officers training in May. However, I know this is a great organization and it will be an honor for me to serve the members of District 31I as your second vice district governor.

Thank You! Eddie

### SERVING THROUGH GIVING

### Why Every Club in District 31-I Should Support LCIF

One of the greatest strengths of the Lions Club family is our shared commitment to service. Every Lions Club works hard in its community - conducting vision screening, supporting food drives, and helping schools. But there are times when the needs are bigger than any single club or even a district. That is when our Lions Foundation becomes important making it affordable to multiply the impact of our service.

When hurricanes strike, LCIF disaster relief grants help Lions provide immediate assistance and long-term recovery support. Grants also help us to provide vision screening equipment or access to eye care. Simply put LCIF allows Lions to think bigger.

For our district, supporting LCIF is more than just making a donation- it is an investment in the future of Lions service. Every dollar contributed by a Lion helps fund life-changing projects across the world and here at home. In fact, many districts have benefited directly from LCIF grants that support community initiatives, disaster recovery, and humanitarian programs.

As your District 31-I Coordinator, I encourage every club to consider how they can participate in this important mission. Participation can take many forms:

- a. Making a club donation to LCIF
- b. Encouraging members to become individual donors.
- c. Recognizing contributions through Melvin Jones Fellowship.
- d. Hosting a club fundraiser dedicated to LCIF.
- e. Setting a club giving goal for the year.

What matter most is that every club participates at some level.

**“I want my whole team to succeed, not just me, all of us.”**

I challenge every club in District 31-I to take part in supporting LCIF this year. Whether your club contributes a small amount or sponsor a Melvin Jones Fellowship, or individual members make a personal donation, every act of generosity strengthens our ability to serve.

Together, we can ensure that Lions continue to lead the way in humanitarian service – locally, nationally and around the world.

Thank you for everything you do as Lions, and thanks for supporting LCIF.

## District Global Leadership Team Coordinator – Kathy Poirier

Welcome Lions of District 31-I to our 2026-2027 Lions year. On behalf of our District, we would like to thank PCC/GLT Tim Williams for the outstanding job he has done over the past several years as our Global Leadership Team Coordinator. As the incoming GLT, I have very big shoes to fill. I will do my best to serve all of you.

Another Lions year gives all of us continuing opportunities to keep learning and growing on our journey as Lions. From the newest Lion to one who has served for many years, there is always something new to learn. Everyone who has an account in the Lion Portal has access to the Lions Learning Center. In the Learning Center you will find numerous courses in the Content Library. Another learning option is on the Lions University website (<https://lionsuniversity.org/>). Here you can take courses just because you want to learn or there are learning paths to earn certificates (Not Degrees) at the Bachelor, Master and/or Doctorate level. The world is open to you to learn as much or as little as you want as a Lion.

We had successful in-person and Zoom training sessions this year under the leadership of PCC/GLT Tim Williams. There were six in-person training sessions and six Zoom sessions. The topics covered were Presidents/Vice Presidents, Secretaries/Treasurers, Membership Chairs, Tail Twisters, New Members and Zone Chairs. A grand total of 180 Lions attended the training. In some cases, there were Lions who attended both in-person and Zoom trainings, so they were counted for every session they attended. According to PCC/GLT Tim, participation was up compared to last year, mainly due to an increased number of people attending the Zoom sessions.

Besides having our annual officer/new member training sessions in the Spring, we will be offering Certified Guiding Lion training again this Lions year. Stay tuned for details about this important training and when it will be held.

Lion Kathy Poirier

CC/GLT District 31-I

# Club News

## Boone Area

Boone Area Lion Teresa Greer, also a member of the High Country VIP Support Group, worked with Shirley Smith & Wayne Powell (volunteer drivers) organizing a 4 day trip to the Outer Banks where they were able to climb the 234 steps of the Currituck Beach lighthouse and see the Corolla Wild Horses.

Boone Area Lions were honored to have PDG Bill Mathers to install our 2026-2027 officers and directors.

# Club News

## Charlotte Southern

Our club sold brooms and lottery tickets to raise funds for Camp Dogwood and Brighter Visions at the “Arts in the Park Festival” in Pineville on Saturday, May 21st. We also increased awareness of our club and how we serve the community.

Our members volunteered at the VIP (Visually Impaired Persons) Spring Fling on May 30th. The event gave attendees opportunities to enjoy games and activities and connect with vision resources in the community.

## North Davidson

NORTH DAVIDSON LIONS CLUB

Lexington, North Carolina

*Lions Making a Difference for the Next Generation*

### What We've Been Doing...

Spot Camera Event was held on April 18, 2026, at Arcadia Fire Dept. In addition, Lion Claudia Woodruff goes to facilities where we've held previous events to do a one-on-one screening of a child showing signs of vision problems. We appalled Lion Claudia's dedication to our vision screening program.

On May 19, 2026, President Joe Craver presented the Bruce & Betty Hayes Scholarship to Willa Ambrositia from North Davidson High School. Willa was a member of the Leos Club during all her high school years. We wish her well as she begins the next phase of her education in attending Wake Forest University.

Our first Red Cross Blood Drive of the year was held on May 19, 2026. We way exceeded our goal by collecting 52 pints of blood! Lions Joe Craver and Donna Long work tirelessly to register donors in advance, set up our facility and enter donation data in the Red Cross system. Way to go Joe & Linda!

June 5, 2026, we teed up for our annual Golf Tournament fund raiser. 92 individuals and businesses graciously purchased Hole Sponsorships. We had 21 teams participate! Even though the temperature was in the 90's, everyone said they had a great time. The event started out with hot dogs & all the trimmings AND homemade cookies (Thanks Lion Frances Davis! She made 16 dozen by herself!!! In connection to this event, 3 anonymous donors gave us \$2600 to be used toward the purchase of a second Spot Camera. This kind of success makes all the work worth it!

Everyone was so busy, we forgot to take pictures at these events. We will definitely attempt to do better in the future!

**“I want my whole team to succeed, not just me, all of us.”**

July 1<sup>st</sup>, 2026

Dear Club President and Secretary,

RE: CLUB POINTS CONTEST:

We hope this message reaches you and your family in the best of health!

This new Lionistic year we are including a club contest based on service reporting on the Lions Portal. It requires that you submit a list of your service activities to the District Club Contest Chair Lisa Cleaver, email: [lisaccleaver@gmail.com](mailto:lisaccleaver@gmail.com) or Co-Chair Sharon Snellings, email: [scsnellings@gmail.com](mailto:scsnellings@gmail.com).

This program is designed to encourage clubs to be actively involved in reaching our District goals for reporting service hours. Points will be assigned based on your monthly or quarterly submissions. Your club points must align with the Lions Portal service information. The contest starts July 1<sup>st</sup>, 2026, thru June 30<sup>th</sup>, 2027. A copy of the contest rules is attached to this letter.

At the end of the Lionistic year, the club points will be tallied, and the top two clubs will be rewarded. As District Governor, I will be emphasizing my theme of approaching our projects and service activities with an attitude of “Think Service-Think Positive” for 2026-2027.

Thank you for your participation and I look forward to recognizing the wonderful service activities in our District.

Sandy

Plans are progressing for the District 31-I Mid-Winter Convention set for Jan. 8-9, 2027, at the Village Inn Hotel and Event Center in Clemmons, just north of Winston-Salem.

Mid-Winter 2026 was a smashing success with a packed Friday Fun Night and a sold out Saturday District Governor's Banquet. We expect the same this January!

## **WHAT IS THE PURPOSE OF A DISTRICT CONVENTION?**

On the surface it is a time for Lions to socialize and exchange ideas and for the District Governor to convene a cabinet meeting with business session for the district.

But it can be so much more.

Exchanging ideas and “war stories” with Lions (old and new) from all around the district is a great way to bond and discover all the things a Lions Club can do for its community,

In addition to learning from each other, there will be exhibitors and information available and two great seminars on Saturday afternoon.

**RECRUITING VOLUNTEERS & NEW MEMBERS** – PDG Paul Beldsoe will be talking about how to get the word out about our clubs and what we are doing. And how to build excitement and interest about your Lions Club and its activities. How to get people involved in your projects as volunteers which can lead to new members.+

**YOUR CLUB FINANCES – DUES/GOALS/FUNDRAISING** – Do you need a better understanding about how you can budget your club funds? How much do you need to charge in membership dues? How do you know how much a fundraiser profits? What is the purpose of the District Humanitarian Goals we pay every year? What else does your club need to budget for? What counts as an administrative cost and what counts as project expense and what can be funded by your humanitarian/charitable funds? How do you stay out of trouble with the IRS?? Cabinet Treasurer Kirby Matthews and PDG Theresa Matthews will take all questions on all “money topics”.

***AND JUST WAIT UNTIL YOU HEAR WHAT CONVENTION CHAIR CHRIS BECK IS PLANNING FOR ANOTHER STUPENDOUS FRIDAY FUN NIGHT –***

***Get your cruise-wear picked out. Or come as “A Celebrity”.***

**District 31-I**

Club (s): \_\_\_\_\_

Names – Lions and Guests:

Please send this registration form and payment to Lion Tim Williams,  
 District Cabinet Secretary 344 John M Ward Rd, Lexington, NC 27295  
 by Friday, July 10, 2026 so that we may submit our headcount to the  
 caterer.

Wow, we are starting a new Lions year and a new campaign to raise funds for Brighter Visions! Last year we surpassed our goal to raise \$150,000 dollars and this year's goal is \$140,000 dollars. I know with everyone's support we will surpass this year's goal also. Remember, our goal is to enrich the lives of our Lions VIP's through our Brighter Visions fund and the money raised will go to support Camp Dogwood, clinical eye research, the VIP Fishing Tournament, educational grants, Kidsight, matching grants and mobility canes.

If you would like to schedule me for a visit to your club, you can contact me at (704) 691-5364 or my email is [e.garmon@live.com](mailto:e.garmon@live.com). I look forward to seeing everyone this year!

A photograph of a white reminder note pinned to a corkboard. The note has the word "Reminder!" in large black letters, followed by the text "Ensure your Club is getting credited by sending in the proper paperwork with payments!". There are also small yellow sticky notes on the board, one with a check icon and another with the word "DONATION". The logo for Brighter Visions is visible in the top right corner of the image.

**Reminder!**

Ensure your Club is getting credited by sending in the proper paperwork with payments!

A reminder to everyone about the importance of proper documentation when sending payments to the Foundation for Memorials, Honorariums, or Awards. To ensure your club receives the appropriate credit and your honoree gets their acknowledgment cards, please make sure to include the completed forms required for each type of contribution.

For Brighter Visions Donations or Camp Contributions made by personal check, please write the club name in the memo line of the check and include a note in the envelope to help us identify your contribution.

Thank you for your attention to this matter and for helping us ensure everything is processed smoothly.

# NORTH CAROLINA LIONS DISTRICT 31-I

The 2nd Cabinet Meeting will be held on Saturday, October 17th,  
2026, from 9:00 am in Cleveland.

## **LIONS SERVICES NEEDS**

North Charlotte Lions Club is requesting help in fundraising for a need at Lions Services Inc. in Charlotte. An ice maker used by those at Lions Services must be replaced due to its age at a cost of \$5000. The ice machine is used in the breakroom, and everyone has access to it.

The club would greatly appreciate donations towards the project from other Lions Clubs and individuals. Checks can be sent to Lions Services Inc., PO Box 561987, Charlotte, NC 28256. Be sure and mark "For Ice Maker".

North Charlotte Lions Club is a unique part of District 31-I. The club members are visually impaired or blind and are employees of Lions Services which has a vision to create a world where blind and visually impaired individuals can feel empowered through meaningful employment while building a strong community together. Having a Lions Club in the facility is a great opportunity for empowerment. The club helps members and others who work at Lions Services with needs.

Lions Services is a manufacturing facility that creates an accessible work place that has a mission of helping the blind help themselves since 1935. The organization was created by the Lions Clubs of Mecklenburg County and has its own board of directors which includes Lions and other community leaders.

## **DISTRICT 31-I SIGHT & HEARING CONSERVATION COMMITTEE**

Can you hear me now? We've all heard about hearing conservation needed within the workplace for auto mechanics, construction workers, etc. But what about everyday life such as attending concerts, sporting events, riding lawnmowers, using power tools, etc.? Following are some tips that might help with hearing conservation: lower the volume on audio equipment, wear hearing protection earmuffs or earplugs, each hour or so, take 10 minute breaks from loud noises, use smart phone apps to measure noise levels, keep your ears dry to avoid infections, and have your hearing checked. Also, the NC Lions Mobile Screening Unit (MSU) offers hearing screenings, and your local Sams Club offers free hearing tests.

Lion Betsy Anderson, Chair  
Dist. 31-I Sight & Hearing Conservation Committee  
Cell: 828-265-7440  
Global Service Team Chair
