On the Prowl -- With DG-Elect George

Nor ever murmur nor repine

For the last couple of days, I've had this phrase rolling around my brain. Perhaps now that I have shared it with you, who, like me, will first begin to determine why it may be familiar to you. A song perhaps as you try to put it in the

clefs of musical notes.

Murmur I can define, but what is a repine? I can assume is the opposite of pine. I've heard that from older relatives who perhaps pined for someone or something lost. Repine, I found,

is to feel or express dejection or discontent.

As Lions Club officers, we must communicate with our members constantly. Good communication skills focus on listening, not talking. Are members murmuring in your club? Repining? Are you listening?

Think of the signs of discontent and rejection. Has their attendance dropped off or worse yet, stopped? Has a member been shown rejection by not being included in activities? Perhaps their expectations of what Lions do has not been as expected.

I remember reading somewhere the question, "What is the first thing you do if you dig yourself into a hole?"

Simply stated, "Stop Digging!" We must first realize we have a problem and then begin to create a plan of recovery.

If you have club members who are not participating, they should be contacted. Call or invite them to lunch. Try to determine why they no longer participate. Perhaps you will find that your club can offer them a place that better fits their schedule or interest.

No living member should be dropped without your determination of the reason.

You are the leaders of your club. It is up to you to set the example and to listen to your membership. It is up to you that whatever lot you see, you leadeth them.

Oh Blessed Thought – Lead On.

George Culp

District Governor-Elect, 31-I

District Peace Poster Chair Debbie Williams congratulates our District 31-I winner, Mahalia Stainback, representing Concord Lions Club. Mahalia was also the State Peace Poster winner and her poster is being judged in the International Competition. In addition to a \$250 cash prize from 31-I, she received a canvas print of her winning poster.

(DG from Page 1)

even provide reading tutoring for adults. Collect books for a school or library. This would make an excellent Legacy Project for your club.

Finally, we all know about our drop in membership. As I spoke to over 20 clubs on my official visits, I mentioned that there is a program in the District Directory for gaining members as laid out by PDG Allan Thompson of the West Lexington Lions Club. This program works if carried out specifically following the program.

Presidents, secretaries, treasurers, PDGs, and membership chairs have a District Directory. Make copies and give to your members and see if this is a program that would work for your club.

Just a reminder that there are many kinds of membership options. Offer new members an alternative membership including affiliate and at large.

Lions, the year is not over. We still have much work to do! Remember:

"We Serve."

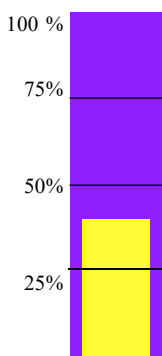

Yours in Lionism, *C.R. "Butch" Conrad*, District Governor, 31-I

Host Families & Events Needed for Youth Exchange

As part of our Centennial Celebration the NC Lions have invited four males and four females for Youth Exchange. We need eight families across the state to host these youth age 15 to 17 years old from July 8 through July 22. During these two weeks the young person will stay with the host family and should be treated as a member of the family. If you go on vacation during this time you can take the exchange youth with you.

You will meet the youth when they fly into a nearby airport to begin a journey that will be rewarding for you and them.

After these first two weeks, the youth will join the State Chairpersons PCC Paulette and PDG Larry Gasperson to travel together around the state, visiting local Lions Clubs and historic sites. If your Club is willing to host an event and/or provide accommodations for the Group please contact me or the State Chairpersons soon.

If you are willing to serve as a host family, there is an application for the Host Families that needs to be completed and returned to the State Committee Chairpersons. Their address is: PDG Larry and PCC Paulette Gasperson, PO Box 494, Pisgah Forest, NC 28768 or for more information, email:

NCLI Names New Executive Director

North Carolina Lions, Inc. is pleased to announce that Hillary Brodofsky has been named the new Executive Director, effective January 30. Brodofsky succeeds Steve Walker, who has retired. Walker has been a Lion since 1985 and

served as the organization's Executive Director for 22 years, since 1995.

Brodofsky brings a wealth of knowledge and experience to her role as Executive Director. Having been voted one of Lake Norman's Most Powerful Women, Brodofsky has been dedicated to the non-profit industry for the past 20 years in several locations across the country. With a Masters Degree in Adult Education and Community Development from Armstrong State University, a recent graduate of

Leadership Lake Norman, and member of Lake Norman Young Professionals, Brodofsky most recently served as Executive Director of the Sallys and Lincoln County YMCAs.

"I am thrilled at the opportunity to join North Carolina Lions in such a capacity and look forward to continuing the legacy of great work to expand the reach of services for the blind and visually impaired through North Carolina Lions, Inc. programs and services," she said.

Brodofsky's passion for the Lions Club began early in life when her father, Sidney, served as a devoted Lions Club member for over 30 years in their hometown of Greenville, Mississippi. She later became a charter member of the Pooler Lions Club near Savannah, Georgia. During her time with the Pooler Lions Club, the club hosted free vision screenings for over 1,200 children through a partnership with local summer camps

Volunteer Week at Camp Dogwood

From: Wayne Faber, State Volunteer Chair
Re: Volunteer Week at Camp Dogwood

Greetings Fellow Lions:

Our annual Volunteer Week is scheduled for April 8-12. We expect to have our normal projects such as painting, staining rocking chairs, landscaping, power washing, sorting glasses, general repair and cleaning.

Guest room check in will begin Saturday afternoon at 4 pm. Due to the number of activities being held at Camp Dogwood the weekend prior to clean-up week, early check-ins will not be available for Lions not involved in the budget sessions. (The exception would be for those Lions who are power washing to arrive on Friday. Lion Nathan Medlin will oversee this project.) Our first meal will be dinner at 6:00 PM on Saturday. We will have a brief assignment meeting following dinner to discuss the projects and divide into teams. Following the meeting, we will be playing BINGO and if you would like to join, please bring a small gift to be used as a prize.

Each Lion must complete a registration form and return it to camp secretary Keisha Ramseur. Local Lions are welcome to volunteer for the day but still need to register.

Please contact your District Volunteer Chairperson if you have any questions. There is a limited supply of tools at Camp, so volunteers may want to take tools with them.

Camp Dogwood is still looking for week-long volunteers for camping season. Volunteering for a week at camp is a rewarding experience and you can make a difference in the lives of the blind and visually impaired across the state. There is no charge for this wonderful opportunity to serve and have fun at the same time. If you are interested in volunteering during camp, please contact Camp Director Susan King at 800-662-7401 ext. 229 or at susan@nclionsinc.org. Visit our camp website at www.nclionscampdogwood.org for a volunteer application or contact Camp to have one sent to you.

National Blind Idol Competition in NC

IFB Solutions, in partnership with Raleigh Lions Clinic for the Blind, is looking for this country's best singers who also happen to be legally blind, to participate in the third annual "A Brighter Path Blind Idol" singing competition. Interested singers can visit www.blindidol.com for competition details. Submissions opened on February 13 and end on March 13.

The 2017 Blind Idol singing competition is open to any legally blind adult who is 18 years or older and a resident of the United States. Entrants are required to provide proof of legal blindness as defined by the Social Security Administration. The Blind Idol winner will re-

ceive a Grand Prize package of \$1,000 cash, eight hours of recording time at a recording facility in Winston-Salem, and a professional headshot. The total prize package is valued at \$3,000.

To enter, contestants must submit a video or mp3 audio file of an individual singing performance no longer than two minutes in length, either online or by mail, no later than March 13. A panel of judges will then select 20 semi-finalists to perform in a live audition hosted by RLCB in Raleigh on June 3.

Five finalists will move on to the live finale competition on August 12 at the Southeastern Center for

Contemporary Art in Winston-Salem. Contestants will be responsible for their own transportation and lodging.

The 2017 Blind Idol singing competition is sponsored by IFB Solutions Foundation, the supporting foundation of IFB Solutions. IFB is the International Federation of the Blind.

Anastasia Powell, program associate for IFB's A Brighter Path, and Chris Flynt, director of A Brighter Path programs, are returning as the events co-organizers. Powell and Flynt have not let their lack of sight deter them from pursuing their love of music, and they encourage everyone who shares that love to enter.

"Music has the ability to move all of us, young and old, sighted and not sighted," said Powell. "Blind Idol is a great opportunity to showcase our talents on a national stage and enjoy these tremendous performances."

For more information regarding Blind Idol competition guidelines, contact Anastasia Powell at 336-245-5698 or apowell@ifbsolutions.org.

IFB Solutions (IFB) is a nonprofit corporation founded in 1936 that provides employment, training and services for people who are blind or visually impaired.

As the largest employer of people who are blind or visually impaired in the United States, IFB operates manufacturing facilities in Winston-Salem and Asheville, N.C., and in Little Rock, Ark., in addition to more than 50 office supply stores and optical centers across the country.

IFB also provides outreach through A Brighter Path Foundation, which operates Community Low Vision Centers across North Carolina and Tracy's Little Red Schoolhouse based in Winston-Salem.
