From Governor Allen:

Creative **Imagination** has given the world many of its greatest discoveries, some of its most needed inventions, and has made possible many of its most useful comforts and enjoyments.

Imagination is more than just an asset. It is absolutely essential to an inventor; it is necessary to a scientist; it is an aid to a designer; and it is a chief working tool of the writer, artist or painter.

Imagination furnishes the fuel that keeps the fire of the spirit burning brightly and spreads needed illumination. Progress in any organization depends primarily upon **the imagination of its leaders.**

Imagination literally throws open the doors of the infinite.

Persons possessed of real

Imaginative minds see far beyond any temporary boundaries.

Imagination is definitely essential to growth. People with no imagination, in a sense, just exist, they hardly live.

These people seem to be content to just move along with the crowd, but they certainly miss so many of the joys and thrills that come to those who genuinely **use their Imagination.** For a useful and vivid **Imagination** makes one rise to ever higher realms in his ideals and purposes.

What a vast number of useful, helpful, Imaginative minds we have in District 31-I. Lions with **Imagination** are always needed. They are always inspiring, forever recruiting new and useful ideas and training them, and sending them out, so to speak, upon

missions of helpfulness and service.

Lions have looked with compassion, love, and understanding upon the blind and visually handicapped, and through our organization have been directly responsible for many successful accomplishments for our VIPs -- helping make them self supporting through Leader Dog establishments, work shops, needed Braille publications, special computers for the blind, and literally hundreds of other great and helpful activities. Just look at the enjoyment and involvement and interaction of the campers every year at our Camp Dogwood. Lionism has made the hearts of countless people beat with renewed hope. The influence of Lionism will never die -- for, Lions, we are living and are serving triumphantly. Lions are forever champions of and for what is right.

Lions, **we have always used our Imagination.** For

Imagination produces ideas, and ideas produce about everything!

We Serve together . . . Let's continue to face our responsibilities with determination and keep Lionism's greatest program of unselfish service sparkling.

Each Lion in every club in District 31-I has that spirit and the **Imagination** and *I Thank You* for your service and dedication!

WE SERVE - TOGETHER

FALL CONVENTION IS
NEAR!! Register TODAY

From 1st Vice Governor Butch ---

Greetings Fellow Lions,

Each year, Lions leaders from across North America gather for three days of training, sharing, fellowship and rededication to building the world's largest, and by far, most active service organization. The Forum enhances the tradition of excellence that is the USA/ Canada Leadership Forum.

We have just returned from the Forum in Grand Rapids, Michigan. It was terrific! If you've never attended the USA/ Canada Forum, you're missing a great opportunity to learn more about Lionism and what it means to be a Lion. If you want to expand your knowledge of Lionism, that's the place to be! If you don't want to be an officer of your club or the district, the Forum is still the place to learn about what Lions do and how they do it. From legal issues to Lions University to club secretaries and presidents you will be amazed at the vast amount of information that you will absorb. You may very well come away yearning to be a local club leader or a district leader.

With over 120 seminars covering over 90 different topics, you have many chances to improve your skill set.

You may the chance to par-

ticipate in "Forum firsts". This year there was the Strides Walk – a Forum-wide service project. Many clubs in our district have Strides Walks to support diabetes awareness. Lions University (a topic for another article) conferred over 200 degrees in its first graduation at the Forum on Friday evening. The Forum's mobile app is the first interactive means of finding, enhancing and evaluating the Forum experience. In fact, instead of evaluating each course on paper after the session, we were encouraged to use the mobile app to evaluate each session and to evaluate the Forum as a whole. Thursday evening was the first time the Forum partied together in celebration of the fun we intended to have. The closing show on Saturday evening was a pure delight and made us proud to be Lions, and inspired everyone to commit to leading our association into a second century.

I just can't say enough positive things about the Forum. Please consider attending one in the future. The September 2016 Forum is set for Omaha, Nebraska. Check the Forum website for details.

Finally, a word about our International President. Dr. Yamada of Japan is a neurosurgeon and a world-class humanitarian and ambassador of cultural

understanding. He had a Saturday luncheon presentation that was the highlight of the Forum. Personally I was excited to meet Dr. Yamada and Immediate Past LCI President Joe Preston of Arizona. A good friend of mine from London, Ontario, and I had our pictures made with them. That was, indeed, a personal highlight.

Lions of District 31-I, keep up the great work helping those in need. The more that Lion Elizabeth and I visit clubs throughout the district, the more proud we are to be a part of District 31- I, the Ideal District! In my visits I have been very impressed with the true grit and determination with which you serve. You all epitomize the motto, "We Serve".

Yours in Lionism,

Butch Conrad

Sell Camp Dogwood Tickets Now!!

Hello Lions,

The time to start selling your Camp Dogwood tickets is here again.

I hope your club was able to join us at the Brighter Vision Kick-Off at Camp Dogwood. Congratulations to the winners of the party and camp baskets that I raffled off with camp tickets . . .and thanks for

buying those tickets.

I would like to come to your clubs to do a program about Camp Dogwood, and I want to thank the clubs that have already called me.

I look forward to hearing from you! Remember first drawing is at our Fall Convention.

Theresa Munyon
District I Camp Dogwood Chair

2nd Vice DG George -- On the Prowl

As I continue my journey throughout the district, I am seeing old friends and making new ones. In September, I visited the following clubs:

Boone, West Jefferson, Hasty, Lexington-Downtown, Gold Hill, W-S Twin City, King, Wallburg, and Pilot.

I was even able to meet with my own club, Concord, on two occasions, one being at Camp Dogwood.

My visits enable me to hear what your clubs are planning for the year. The efforts to raise funds to support Brighter Visions and Camp Dogwood are well-planned and are being reported as successful. These clubs are supporting youth in sports programs, doing food drives, conducting vision and hearing screenings, and recy-

cling glasses.

The highlight of my month was participating in the Mint Hill Lions VIP Day. In Mint Hill, I was able to spend part of the day with another Lion who was blindfolded. We attempted to ride a bus to the bank, get change, and then make a purchase at a local store.

It was (pardon the pun) eye opening! I also learned that most banks will not provide change for a large bill unless you have an account with them. So many of the things we take for granted are difficult tasks for our VIPs. I learned that blind people become very familiar with the routes that they must take to their favorite stores, etc. Do you know that one of the biggest problems they face is garbage day, when the rollouts are on the sidewalks? (Watch for a future

edition of *The Advocate* for more on this event).

Let's talk about service for a moment.

Are your members creating relationships with those you serve? Are you seeking new ideas on how your club can do more in your community? Is your club inviting non-Lions to assist in both your activities and the raising of funds?

If the answer to any of these questions is *NO*, perhaps a reevaluation of your activities is needed.

Remember, where there is a need, there is a Lion.

It is our responsibility to be there for those in need in our communities. I continue to ask our clubs to focus on the Centennial Celebration Challenge to offer community service in each of these four areas: Youth, Hunger, Environment, and Sight.

As I continue my prowling, I look forward to visiting your club and meeting your members.

I hope that you can –

DG Team Official Visit Schedule

Each year the District Governor or his representative is to make an official visit to each club in the district. Below is the tentative schedule for DG Allen, 1st VDG Butch, and 2nd VDG George, which is also published in the district directory. Please confirm the date, time, and place of the meeting with the scheduled speaker as soon as possible to allow for any rescheduling. Arranging for joint meetings with another club or clubs is appreciated!

Do not schedule another program for the official visit. Plan for a board meeting after the meeting.

As the official visits are completed, remember to keep the DG Team and the Region & Zone Chairs up to date on your projects and events or if you need assistance or advice!

Where There's A Need... There's A Lion

Boone Area Lions Club recently had a program by Dr. Bill Herring, retired orthopedic surgeon, about his work with the indigent people of Chiapas, Mexico. These people are 47% of the population of the area and are very poor and badly treated. Dr. Bill takes groups of volunteers to Mexico three times a year to serve the medical needs of the people there. In 2006 ground was broken for a clinic that opened in 2012, after six years to build with a budget of more than the \$150,000.

Dr. Bill made special mention of the effect of receiving reading glasses on patients and their being able to read.

The Boone Area Club donated \$100 worth of reading glasses for Dr. Bill to take to Chiapas when he left on September 19 for a two week mission.

One of the patients from the clinic is very happy to be able to read with her new glasses.

Lions Education

If you or anyone Lions in your club is taking steps this year to become better Lions, LCI wants to know about it.

Please notify Global Leadership Team (GLT) Coordinator Tim Williams if you or another Lion has attended or plans to attend a Regional Leadership Institute, or has completed an on-line course, either LCI webinar or Lions University course.

Email Lion Tim at twilliams6@triad.rr.com with information for courses taken or institutes attended in July, August, or September, 2015.

Lexington DownTown Golf Tournament Results

Rives & Associates LLP Certified Public Accounts won the 35th Annual Dave Conrad Memorial Lions Golf Tournament recently with an 18-under-par 53 at the Lexington Country Club. Members of the team were Leon Rives, Kellan Rives, Jerry Williams, and Justin Clement.

NewBridge Bank team of Phil Grande, Jonathan Johnson, Jed Orman, and Jimmy Eggers finished second with a 16-under-par 55.

The tournament-sponsoring Lexington DownTown Lions Club team, with a score of 59, won the Davidson County Lions Club Challenge for the third year in a row, squeaking past the Welcome Lions Club by a single stroke.

A huge cat painting traditionally awarded to the team finishing last is again in the possession of Tom's 4-Wheel Drive.

Lexington Utilities team, which earned the cat picture last year, avoided the honor this year, in part by adding J.J. Fashimpaur,

the city golf director and PGA head teaching professional, to its team to finish with a 9-under-par 62.

Seventeen teams competed in the Captain's Choice Tournament, co-sponsored by Breeden Insurance and R.H. Barringer Distributing.

Scott Rhodes was closest to the pin on No. 3; Taylor Myers on No. 11; Sandra Moore on No. 12; and Keith Waisner on No. 16. Zeke Brown hit the longest drive on No. 18.

Those five, with Walt Fucito substituting for Rhodes, qualified for an extra 170-yard shot onto No. 18's green at the end of the tournament for a chance at cash prizes from \$50,000 to \$1 million. No one succeeded in knocking the final shot into the hole.

Stan Lanier and two members of the Rives team also won prizes in a separate putting competition.

Skydive Jump-a-thon Benefits Transportation for Disabled Vets

On Wednesday, November 11, Veteran's Day, Skydive Carolina will partner with Veteran Transport Services (VTS) of Charlotte in a unique fundraiser. Supporters of VTS will skydive while raising money similar to walk-a-thon fundraiser. These can be tandem dives with an experienced skydiver. Experienced divers will receive a discounted dive rate of \$149 and \$5 will go to VTS.

VTS, a duly organized 501(c)(3) non-profit, was established for the sole purpose of providing transportation to blind and disabled veterans with a mission of providing viable and reliable transportation for disabled veterans within the Mecklenburg County area. The goal is to get them to rejoin society and to become fully engaged in activities. With adequate transportation they will no longer be locked in their homes as though they were prisoners of war here at home.

If you would like to participate or for more information contact: Janet Y. Perkins MPA, EJD, President/CEO, Veteran Transport Services, Inc., P.O. Box 78231, Charlotte, NC 28271, 704-844-0506

(EDITOR'S NOTE: VTS has been registered as a 501(c)(3) for two years)

PLEASE NOTE: **Peace Poster Due Dates**

Please note due dates for Peace Poster entries -- peace posters and essays must be postmarked by **October 28**, to allow time for judging and inviting the winners to 31-I Fall Convention.

Mail your entry to: Lion Debbie Williams, 3887 Old Linwood Rd, Lexington NC 27292.

Please notify me if you are submitting an entry for either contest so I can be sure to look for its receipt.

IFB Supports NCLI

Paul Bledsoe, president of NC Lions, Inc., started the 2015-2016 NCLI year rolling with a \$20,000 grant from Industries for the Blind Winston-Salem.

In meeting with Dr. David Barnwell, vice-president of IFB Winston-Salem, Asheville, and Arkansas, he reviewed the relationship of the two organizations over the years and how Lions programs and services had partnered for many years with their growth and enhancing the quality of life for their employees.

Lion Paul suggested enhancing this relationship and finding

a way to work closer together, especially with Camp Dogwood, and getting more of their employees to enjoy our services with a wonderful week on Lake Norman.

Lion Paul also provided a written presentation, including several ways IFB could help the Lions today.

This cooperation resulted in

IFB presenting NCLI with a \$20,000 grant for renovation of the dock at Camp Dogwood.

The two organizations hope to continue to grow this relationship.

"What the two parties do is quite the same, enriching the quality of life and personal success of those visually impaired and blind. United we're today's Brighter Vision," added Lion Paul.

31-I International Relations

On Sept. 13 Valle de la Pascua-Central Lions, Venezuela, District E-4, inducted new members under our International President's motto: Dignity - Harmony - Humanity.

Sponsors of the new members pinned them with Centennial Celebration Lions lapel pins, which are currently available from LCI Club Supplies. New member sponsors received a Centennial Sponsor Certificate also available from Club Supplies.

Lions Info for Our VIPs

NFB-NEWSLINE from National Federation of the Blind, is happy to announce the addition of LION Magazine, the publication of the Lions Clubs International, to the list of magazines on their Internet news feed.

LION Magazine promotes the service of the Lions Clubs around the world and their philosophy of "We Serve." It is full of articles about successful service programs and the people who help achieve these goals.

For more information on NFB or the NFB-NEWSLINE, contact Lion Sharon Weddington, President, NFB of NC.

Club Updates & Upcoming Events

West Iredell Lions

Only nine members were able to work at the Fair food booth. The good news is that they had 30 volunteers. During the week, the Lions worked 218 hours with setting up and cleaning after the fair and the volunteers worked 217 hours.

One of our members had a birthday during Fair set up, another had a birthday Fair Monday, and another on Fair Wednesday so a celebration for all was held Friday at 11 pm including another Lion with an October 24 birthday.

This completes the club's fundraiser for this year and provides funds until next September.

Mooreville Lions

This club has several ongoing projects:

- 1) The Flower Power Fundraising Program with the club profiting 50% from every sale of flower bulbs. The spring 2015 sale was a great success. The fall sale is off to a slow start but is starting to pick up.
- 2) Annual peanut sale is underway at the Mooreville High School home football games. This money will fund a scholarship given to a qualified MHS senior at the end of the school year.
- 3) Brooms and have counter mints are in many of the local businesses.
- 4) Camp Dogwood raffle tickets sales are underway and recycling eye glasses project continues.

Denton Lions

Fall Shrimp Boil is set for Saturday, October 3, 5 pm to 8 pm, at Denton Masonic Lodge, corner of South Main & Peacock Ave. Cost is \$20 for all you can eat fresh boiled shrimp, kielbasa, cole slaw, fries, corn, dessert, tea or coffee. A take-out meal is available for \$16. Hot dog plates are also available. Tickets are on sale at the door.

The Lions have partnered with Denton Elementary School PTO to present the annual Miss Denton/Little Miss Denton Pageant. The partnership with the PTO will provide funds directly to the PTO and with PTO as a partner, there will be no rental charge for use of the school.

Boys & Girls Homes of NC Inc.

There are an average of six boys in the Lions Cottage at BGHNC. Daily hygiene products (soaps, shampoo, deodorant, etc.) are always needed. Other items that would be appreciated are white socks, twin bed sheets and pillow cases.

Flemington Academy is the on-campus charter school. If your club wishes to help with school supplies, they can use 1" notebooks, colored pencils, composition books, No. 2 pencils, and notebook paper. The LAKE House is for underage mothers already in foster care along with their infants. Baby supplies are always appreciated.

Please try to support our cottage with a monetary donation.

We'd love to list all the food events, golf tournaments, and all the other great projects that clubs sponsor around the district.

Fall Barbecue will be Saturday, October 17, starting at 10 am. Pork or chicken plate is \$8; a pork sandwich is \$3 or four for \$10. Bulk pork can be purchased for \$8 a pound.

The plates include BBQ beans and slaw. Extra sauce is also available. The Odell Lions Den is located on the corner of Odell School Road and Highway 73W (Davidson Highway).

Kernersville Lions

Lion Debbie Warren started started school year eye screenings with a bang. On Sept. 10, a successful screening was held at Southeast Middle School. On September 16 at Kernersville Elementary 425 children were screened in one hour, followed on September 17 with 392 children screened at Caleb Creek Elementary. September 23 was a screening at Piney Grove Elementary and two more elementary and one middle school set for October screenings. About 25 volunteers are used at each screening.

Winston-Salem Twin City Host Lions

September 17 was a "Hands On" day for the club. In lieu of the noon meeting, the club volunteered with the Winston-Salem Free Adult Dental Clinic at the WS Fairgrounds Annex, coordinated by the North Carolina Missions of Mercy. The 3-day event needed 600 volunteers needed with 1,000 adults expected to come to the 80-station mobile dental treatment facility.
