Live-Love-Learn and Leave a Legacy DG Carolyn Sprinkle

When you read this article, I will be in Las Vegas in training for and being installed as the District Governor of MD31-I for the next 12 months. The exciting part of this journey is that I love the work we do as Lions. Lions in North Carolina began in 1922. The census for the 1922-23 Lions year was 11 clubs and 525 members. The anxious part of the journey is the legacy of the District Governors who have served before me, one of which was Louis Day (Rocky Mount-Old District C). He organized 38 clubs during the club year 1949-50 and became the first and only District Governor in North Carolina at that time to have 100 clubs in a district. In that Lions year, MD 31 had 11,263 members and 250 clubs. The prediction for the 2017-2018 Lions year unfortunately will be 6,200 members and 280 clubs.

My point is this, volunteerism has declined and continues to decline nationally. In 2003, the reported percentage of the American population who served as volunteers was 28.8%. In 2015, that percentage had dropped to 24.9%. We all know this trend. We all know how it affects those in need. In North Carolina, 1.3 million people are reported as disabled and another 1.2 million are impacted in some way by their needs.

So here is our challenge. We must ask for help – not new members – but others like us who are passionate about helping others. I'm not talking about Generation Y, but Generation X and Baby Boomers. The combined number of these two groups accounts for 82% of the population (2015 census) in North Carolina. Those of us in that 82% do not classify ourselves as senior citizens. We were and are looking for organizations dedicated to missions and that place a high premium on folks who love working with people and helping others. They, like all of us, need to feel valued and useful. They are not going to be enticed by opportunities just to stay busy. We are going to have to provide work for them that captures their imaginations, uses their skills and training and offers them opportunities for leadership and ownership.

It's the good ol' summertime, and the "dog days heat" is already here. July 4th is Independence Day. The "L" in "Lions" stands for "liberty", and the "ons" stands for "our nation's safety". Have you ever thought that our work as Lions is patriotic service to our country? It is good to honor our veterans. After all, they put their lives on the line for our country.

I thought I would take the opportunity to honor all Lions as patriots of our country. Helen Keller asked us to become "knights for the blind", and we did. Our military today not only fights our nation's wars, but it is involved in humanitarian projects as well. Almost all of our projects as Lions have a humanitarian purpose and goal.

Have a happy 4th of July, you patriotic Lions ,
Jimmy Myers - First Vice District Governor

Brighter Visions

Happy New Lions Year District 31-I! My name is Michelle Gregory, and I'll be your Brighter Visions District Chair for the upcoming Lions year. I look forward to working with all of you.

Brighter Visions supports so many programs and services that are vital to our VIPs and our Lions work across the district and state - Camp Dogwood, the VIP Fishing Tournament, matching funds, our mobile screening unit - just to name a few.

Let's carry on this upcoming year, as we always do, to support our Brighter Visions campaign. District Governor Carolyn has set our goal to be \$150,000, approximately \$125 per Lion. We have and can meet this goal. I have faith in all of us!

Please join me for our Brighter Visions Kickoff on Wed, **August 29th**. Location and registration forms are included in this newsletter.

Let's Get This Party Started!!!

Happy New Year!!!

Happy New Year??? It can't be the New Year. It's only July. What is going on? Is this guy crazy?

While the answer to the last question is probably yes, it really is a new year a new Lions year which starts July 1st. We have a new district governor, a new first vice district governor and a really new second vice district governor. We have new district chairs, a new Brighter Visions goal for the year and many of our programs start over on a new cycle. Yes, it really is a new year for those of us who are Lions!

What is your "New Year's Resolution" as a Lion? Have you made a resolution to become a more active Lion? What about becoming involved in more service projects? Is one of your resolutions to invite new people to your Lions club meetings in hopes they will be interested in becoming new members? Are you interested in raising more funds for Brighter Visions? I think the number of resolutions one could have is endless!

What is my New Year's resolution for the new Lions year? As your new second vice district governor, I have been trying to find that out. I've asked several people "What does a second vice district governor do or what should I be doing as second vice district governor?" Everyone I asked the question has given me the same reply, "Learn all you can this year." So my New Year's resolution is to learn all I can about Lions and the roles of the vice district governors as well as the district governor. Another resolution I have is to learn all I can about the clubs and their members. In other words, I want to learn as much about "you" as I can. I also want to start learning those things we need to do to make sure our Lions clubs address the future needs of our communities.

As I start this journey I realize I have a lot to learn. I want to ask you to help "educate" me. Please feel free to share your thoughts about Lions across our district and across our state. What do we need to be doing that we are not doing? What do we need to stop doing that we have been doing for many years? Do we need to change and if so, how? CHANGE. Now that is a scary thought that someone would dare suggest making changes. We can't change because that is the way we have always done it this way! We can't possibly change anything, but we still want to our clubs to get more members, become stronger, do more service projects, and yes, raise more money and remain viable for the future. Can we really do those things without making changes?

(continue on page 7)

DG Sprinkle *(Continued from page 1)*

Studies show that 42% of volunteers are approached and invited to join an organization by one of its members or current volunteers. The one-on-one communication is focused and powerful. My feelings are this: when we ask for help in a crowd of 100, everyone assumes someone else will get involved. When we ask a group of 10 people, we will see others stepping up. But, if we ask one-on-one, it is hard to ignore us when we tell our story. And what better story to tell than the success of our "We Serve" program that has been in place for over 100 years. We must share our excitement and enthusiasm and what the vision and mission of Lionism has meant and continues to mean to us.

I look forward to our journey together. I need your help. I need your ideas. Please be in touch.

Global Leadership

As your GLT (Global Leadership District Coordinator), I am please to announce that GAT Training will be provided at each of the upcoming Zone Meetings in July (See dates on page 6). This year, many at our new officers may be expecting officer training and this is the first phase of your district's training initiative. Currently, an online training program is being created for club Presidents, Secretaries, and Treasurers. Training will also be available for any desiring one-on-one, in person training.

All clubs are encouraged to participate in the GAT Program. We feel that this effort is important to creating leaders who can ensure our clubs are thriving and will continue serving our communities, state, and internationally. Here is a brief description of the GAT. (See below for who from clubs should participate in this effort).

- Recycle eyeglasses
- Collect shoes, socks and underwear to restock school closets

Continue with ongoing service projects

Happy New Year, Lions!

In July, we are starting our 102nd year of Lionism.

One big change is the way we report service projects. Starting July 1st, MYLION for the internet will be available to download. I will be attending the region meetings to assist the transition from MYLCI. This will be a good time to discuss any issues that you may be having.

I am also interested in adding any service projects you may want to share with the district. Starting next month, I will divide my quarterly suggested service projects into thirds and give a short description of each.

Lion Ron Rich - GST Chair
<Casper101@windstream.net>

*FYI! Many clubs were interested in the Pill Bottle Collection. we learned about at a Davidson County Lions Council meeting. DAVIDSON MEDICAL MINISTRIES CLINIC IS NO LONGER ACCEPTING THE BOTTLES. If you want to recycle pill bottles for medical missions, contact Matthew 25 Ministries, 11060 Kenwood Road, Cincinnati, OH 45242. 513-793-6256. Their website is M25M.org.

You must pay to ship the bottles to them. Please note this can be quite an expense.

Global Action Team

Creates a unified approach to the three areas of Lions: **Leadership, Membership, and Service.**

Our Goals

To impact more than 200 million lives through service, to increase our membership to 1.7 million Lions and Leos, and to provide learning opportunities to more than 500,000 members by the year 2020.

Our Vision

We envision a day when every need in the world can be served by a Lion or Leo. We want to be the organization the world turns to when confronting global humanitarian challenges.

Benefits to Clubs

It's club-focused. Each club has Lions serving on the GLT, GMT and GST teams, and the club president chairs the Global Action Team for the club. It's a bottom-up approach that puts clubs at the center of the action.

It's all about teamwork. The new Global Action Team puts the entire Lions network to work for clubs. It brings the GLT, GMT, and GST together to support clubs. It's a whole-club approach that can energize every club. Help is all around you.

Innovative service. The GST helps clubs identify resources and use best practices to improve projects and impact. Quality service projects keep members coming back, and they help attract new members who are looking to serve.

Leadership development. The GLT provides leadership development opportunities that can empower Lions to lead and serve their communities. Strong leaders can help drive membership, champion new service projects and ensure that clubs are positioned for ongoing success.

Healthy membership. The GMT can help clubs develop effective membership programs to attract new members. And they can help clubs create a great membership experience that will keep new and seasoned members coming back. More members mean clubs can bring more service to the community.

Leadership, membership and service impact each other. Each of these key areas influences the others. Great leaders can drive membership and service. Great service can inspire new service-minded people to join us and give Lions opportunities to lead projects. And membership growth increases service impact and produces new leaders who can guide clubs into the future.

WHAT IS EXPECTED OF YOUR CLUB

Each club should elect or appoint the GAT members. Suggested members are the following:

Club Level

The club president will be the Global Action Team chairperson for the club.

- o GLT club leadership development chairperson will be automatically filled by the club vice-president
- o GMT club membership chairperson
- o GST club service chairperson

I encourage each club to fill these positions and club secretaries should report them in MYLCI. This will enable members to receive important information and updates regarding their areas.

I've been told I have to decide on a slogan for my term as vice district governor and then if you so desire as district governor. Many thoughts have been running through my head, but as yet, nothing has really stood out. What slogan would you like our district to have three years from now? Yes, I'm serious, I'd really like to know your thoughts on this, so please let me know any ideas you might have. Maybe your idea will be the slogan we can use.

Well, I have rambled enough and probably written more than I should have. I'll keep you posted on my journey, and I hope you'll keep me posted on your journey as a Lion as well. Just remember that by working together, we can accomplish many things for the future.

The **West Jefferson Lions Club** was selected as an Ashe County recipient of the 2018 Governor's Volunteer Service Award. The award recognizes significant contributions to the community by volunteers. This award is a very prestigious award. The Club was awarded a certificate of recognition along with a pin from the Governor.

For 68 years the West Jefferson Lions Club, currently with 27 members, has provided consistent service to Ashe County persons in need each day with the following ongoing projects:

Collected over 1000 pairs of used eye glasses to be professionally refurbished and distributed to 3rd world countries.

Provided eye examinations and glasses as needed to children and adults at no cost in cooperation with the local optometrists.

Contributed to Brighter Vision project to assist with vision needs statewide.

Conducted a free eye screening at the Senior Services Center using the mobile screening unit, staffed by Lions members and an optometrist who is a member of this club with referrals were made as needed.

Provided monetary gifts to Leader Dog, NC Clinical Eye Research, the Deaf/Blind Retreat at Camp Dogwood, Project Graduation, Ashe County High School Band and JROTC .

Supported the local Medical Assistance Program which supplies free medicine to qualifying individuals.

Provided an all expense paid week of fun and recreation at Camp New Hope for the family of a terminally ill child .

Displayed 200 American Flags in Jefferson and West Jefferson five times each calendar year (pictured above). Maintained sales booths in 4 different businesses to provide public access to brooms made by the Industries of the Blind.

Organized community outreach programs including both the Holiday Parade in West Jefferson and the Christmas Tree 5K Run.

Participated in the Stop Hunger Now program by assisting in the assembly of 25000+ meals for overseas consumption.

Provided manpower for several parking details in the public arena.

Dear Business Leaders and Fellow Lions:

The Thirty-Eighth Annual Dave Conrad Lions Memorial Golf Tournament will be held Wednesday, September 5, 2018 (rain date Wednesday, September 26, 2018). This event will take place at the **Lexington Golf Club**. The Lexington Downtown Lions Club and Breeden Insurance Services, Inc sponsor the tournament.

We need business and civic organizations to sponsor teams for this half-day captain's choice affair. To provide smoother play, the tournament will be limited to the first twenty four- (24) teams. Each team will consist of an A, B, C, and D player (see entry form on flyer). The cost of each four-man team is \$225.00. If you would like to have any "mulligans" included, please add \$5.00 per player to the fee. Your fees will cover the following:

- *1. Entry of four people in the tournament.
- *2. Green fees and golf carts.
- *3. Chance to win multiple prizes up to \$1,000,000.
- *4. The barbecue party immediately following afternoon play
- *5. Co-sponsored by R.H. Barringer Distributing Co. Inc.

In addition, there will be opportunities to win many valuable prizes, including a 50/50 Pot for Money! All proceeds from the tournament will be used to aid the blind and for research and treatment of eye diseases. You only have to close your eyes for a few minutes to feel the loneliness and isolation that the visually impaired feel. Over the past thirty years, many lives have been touched due to the valuable participation and contributions.

If you are interested in sponsoring a team or a hole (\$100.00 for hole sponsorship), please contact me at 336-309-0530 or J. J. Fashimpaur at 336-248-3950. Please make checks payable to the Lexington Downtown Lions Club and mail with your entry form, if applicable, to PO Box 571, Lexington, NC 27293-0571.

Your support and participation are greatly appreciated.
