Join Lions! Make a Difference! - DG Jimmy Myers

It's here! My year as District Governor begins this month with my installation at the International Convention in Milan, Italy. My father served in the occupation forces in Italy after World War II, but this will be my first trip to Italy. As we begin our new year in Lionism, I want to thank everyone for what you have done in the past year. I want to congratulate District Governor Carolyn Sprinkle for an outstanding year of leadership, especially in the midst of the tragic loss of her son.

We are, at the writing of this on June 23, about \$1800 short of our \$148,000 Brighter Visions goal. Unbelievable. A big thank you goes out to Michelle Gregory for her efforts at reaching our goal. Of course, we lead the state in Brighter Vision income. This money is vital for our work as Lions in North Carolina. This tells me we can do it again next year with Bill Mathers leading the way. Our goal next year is \$150,000. I believe in trying to do more.

On Saturday, July 20, we will celebrate this past year, and look forward to my year as Governor with Awards, Installation and Cabinet Meeting at my home church Bethlehem United Methodist Church at 321 Redland Road, Advance, NC. For those who do not have a GPS system, or if you are like me and it sometimes gives wrong directions, here is how to get to the church. Take Interstate 40 to exit 180 to Highway 801. Go north on Highway 801 about 2 miles. You will come to the Redland Road. Turn left off of 801. Drive about a mile and 3/10, and you will see the church on your right. We are going to have our awards presentations, an installation for cabinet officers, then a barbecue pork meal with deli meats for those who do not eat pork. We will then close out the day with the first Cabinet meeting of the new year. **ALL LIONS ARE INVITED**. You do not have to be a District Officer. Please make a reservation for the meal, by emailing me at JLMYERS@yadtel.net or call me at 336-782-9388 and leave a message.

My visitation schedule for July is as follows:

- Friday Morning, July 19 at 7:30 AM Charlotte South Park Lions Club at Sharon Towers, Wolfe Lounge 5100 Sharon Road, Charlotte, NC.
- Tuesday July, 23 at 6:30 PM at Dobson Lions Club at Dobson Community Center, 322 Cooper Street, Dobson, NC.
- Thursday, July 25 at 7:00 PM at Bethlehem Lions Club at PJ Seafood, 349 Rink Dam Road, Taylorsville, NC.

If for any reason this is an inconvenient time, please contact me at the above email or cell phone number. I do not expect a gift at my visit, but I would greatly appreciate a donation to our Brighter Visions campaign in my honor.

Jimmy Myers, District Governor

Another Year Is Here!

It's July, and that means two things. First, summer is here, and second, a new Lions year has begun. I hope you will make the most of these two seasons by enjoying the outdoors, spending time with friends and family, and making plans to serve others through your work with Lions.

A new Lions year means we have new club officers, new district officers, and new opportunities for the year. If you have new club members, it also means you have new opportunities to orient them and involve them in your club activities.

New club members, new club officers, and even new district officers need a good understanding of how Lions Clubs should operate. By making sure each of these has a copy of, or access to, the constitution and by-laws is a good start in helping them understand how clubs should function. The constitution and by-laws outline the responsibilities of club officers as well as provide information as to how clubs should operate. When there is a question about how to do something, make sure you refer to the constitution and by-laws where you will probably find the answer for which you are looking.

A new Lions year is also the start of many new opportunities both at the club, district and state level. Club officers should make sure information is shared with all club members so they will be aware of what is going on within the club and across the district and state. Some members may only be interested in working at the club level where their focus will be in local communities, and there is certainly nothing wrong with that. But other members may be interested in learning more about Lions work across the district and state and might want to participate in these activities. Make sure all members receive a copy of the district newsletter as well as inform them of any other correspondence the club may receive.

There are many opportunities over the next few months to learn more about Lions work and to get involved at the district level. The first district cabinet meeting where district business is conducted will be held July 20th. Our Brighter Visions kickoff for the new year will be held on Wednesday, August 28th. More information regarding these activities and others can be found in this district newsletter and in correspondence to club officers.

One more district activity deserves to be mentioned and that is our district mid-winter convention which will be held November 15 – 17 at the Greensboro – High Point Marriott Airport. The convention planning committee has been working hard on making preparations for the convention which promises to be fun, educational, and service oriented while allowing Lions from across the district the opportunity to make new friends and visit with old friends. You will find the registration form for the convention in this newsletter, so start making plans to attend what promises to be an exciting convention. And also note, I'll be talking about the convention from now until November in hopes I can convince you to attend!

When was the last time you actually asked someone to visit your Lions Club? There are so many people who still do not know what the Lions do and many think that all we do is sell brooms.

The best kept secret needs to be let out of the bag. Give someone the opportunity to better themselves and help your community. Look around and ask your neighbor, best friend, church member, etc. Make a list, call someone or visit them, you might be surprised. You can make the difference.

Share Lionism,

Lion Wayne Kennerly - 2nd Vice District Governor

District 31-I Lions in Service

Fair Grove Lions Club will offer baked goods for sale at the Thomasville Farmer's Market from 8 a.m. to noon Saturday, July 13.

Mint Hill Lions Club is extremely PROUD to invite all Lions to join with them at Charlotte Knights Baseball at BB&T Ball Park on **July 24th** at 7:05PM. Our special price is \$14 per a ticket of which \$2 can be used to purchase food or something in the gift shop. Be sure to **WEAR YOUR LIONS SHIRTS SO PEOPLE CAN ASK YOU ABOUT BEING A LION**. There will be a Lions table with material to hand to fans asking them to join the Lions Club, our names will be on the electronic board and there will be a special announcement welcoming the Lions to BB&T. We need at least 25 members to join and volunteer to work the booth. We will be able to sell brooms by Mint Hill Lions Club, demonstrate Leader Dogs, white canes and need at least 6 volunteers to help work the BOOTH. For more information Contact Lion Lloyd Scher (Lloyd.scher@yahoo.com) or 704-845-9083 about this 1st of several community wide events being arranged for the Lions Club to receive needed publicity.

Bill W. Fender (left) of the **Mocksville Lions Club** recently made a trip to Camp Dogwood where he donated over 1700 pairs of used eye glasses. Bill is a Director in the Mocksville Lions Club and collects used eye glasses from numerous collection points throughout Davie County. Bill is a respected 50 year Lion member who always goes the "extra mile" to help others. Collection boxes are strategically placed at professional offices and businesses for the general public to deposit no longer needed eye glasses. Thank you Bill for being a Lion!

Riverview Lions Club invites everyone to spend to day at their Festival by the River, Saturday, August 17 from 11 a.m. to 4 p.m. Food: hamburgers, hot dogs and fixings; music: bluegrass, gospel and country; free children's activities, crafts and fun. The rubber duck race will begin at 2 p.m. Tickets are 5 for \$20 with a grand prize of \$1000, 2nd prize \$200 and 3rd prize \$100.

Thomasville Lions Club held their annual giveaway in June, raising lots of money for Brighter Visions. DGE Jimmy Myers, pictured left, won the perfect door prize, perfect to pass along to little Miss Eliza Bray.

L-R are Susan Sharpe secretary-treasurer; past and current President Arnold Sharpe; Robert Darr, Lion of the Year; and Jeremy Gilbert, first VP. PDG Theresa Matthews was awarded the very first John Fowler Service Award, given by the Southmont Lions Club, to an individual that has shown exemplary service through many years.

The Thirty-Ninth Annual Dave Conrad Lions Memorial Golf Tournament will be held Wednesday, September 4 (rain date Wednesday, September 18) at the Lexington Golf Club. The **Lexington Downtown Lions Club** and Breeden Insurance Services, Inc sponsor the tournament. Business and civic organizations are asked to sponsor teams for this half-day captain's choice affair. The tournament will be limited to the first twenty-four (24) teams. Each team will consist of an A, B, C, and D player (see entry form on flyer) and will cost \$225 (plus \$5/player for each "mulligan") and includes:

- *1. Entry of four people in the tournament
- *2. Green fees and golf carts
- *3. Chance to win multiple prizes up to \$1,000,000
- *4. Barbecue party immediately following afternoon play
- *5. Co-sponsored by R.H. Barringer Distributing Co. Inc.

All proceeds from the tournament will be used to aid the blind and for re-search and treatment of eye diseases. You only have to close your eyes for a few minutes to feel the loneliness and isolation that the visually impaired feel. Over the past thirty years, many lives have been touched due to the valuable participation and contributions. Hole sponsorships are also available for \$100. Contact Mark Breeden at 336-309-0530 or J. J. Fashimpaur at 336-248-3950. Checks payable to Lexington Downtown Lions Club and mail with your entry form, if applicable, to PO Box 571, Lexington, NC 27293-0571. Your support and participation are greatly appreciated.

West Iredell Lions Club has been busy in June. We attended Officers Training. We learn something new every year, and it is so important to attend the training sessions. DG Carolyn Sprinkle installed our 2019-2020 Club Officers and got to meet the oldest active Lion in the state, Lion William T. (Tom) Poston who is 98 years young at heart. Tom has been a Lion since 1952 and is the only living charter member of the West Iredell Lions Club. He transferred from the Shephard Lions Club. It is VERY interesting to hear Tom talk about Lions and the service they have done and continue to do the world over. Just think of all the things he has seen in the almost full century of life. We hosted our second annual Mobile Screening Unit at Lowe's Home Improvement in Statesville. 45 children and adults were served. Thanks to the volunteers, Horizon Eye Care and Lowe's for their support and to all Lions for their continued support, service and the enthusiasm. We are looking forward to more great ideas from next year's Brighter Visions chair, Lion Bill Mathers. He has some new ideas to make the kickoff even better than before, and we all know that District I proudly boasts the best kickoff in the state. Please plan to attend this year's event Wednesday, August 28 at Pine Lake Country Club, 5504 Lebanon Rd., Mint Hill.

Sign-up to play a round of golf to help start the pot toward next year's goal. Come enjoy the country club's delicious buffet with some of the cost being added to the BV total for the evening. Bring your initial gift for the parade of clubs during the great program that will conclude the meeting.

Let's make this the best kickoff ever!

Global Action Team

Global Leadership

As your GLT (Global Leadership District Coordinator), I want to thank those of you who were able to attend our training session on June 2nd. Others of you have reached out and asked for access to the training materials. All of the presentations have been added to our district webpage (www.nclions311.org) and we hope you will take time to review. Should you need personal assistance, please let me, George Culp, know.

All clubs are encouraged to participate in the GAT Program. We feel that this effort is important to creating leaders who can insure our clubs are thriving and continuing to serve our communities, state, and internationally. Here is a brief description of the GAT. (See below for who from clubs should participate in this effort).

Global Action Team

Creates a unified approach to the three areas of Lions: **Leadership**, **Membership** and **Service**.

Our Goals - To impact more than 200 million lives through service, to increase our membership to 1.7 million Lions and Leos, and to provide learning opportunities to more than 500,000 members by the year 2020.

Our Vision - We envision a day when every need in the world can be served by a Lion or Leo. We want to be the organization the world turns to when confronting global humanitarian challenges.

Benefits to Clubs

It's club-focused. Each club has Lions serving on the GLT, GMT and GST teams, and the club president chairs the Global Action Team for the club. It's a bottom-up approach that puts clubs at the center of the action.

It's all about teamwork. The new Global Action Team puts the entire Lions network to work for clubs. It brings the GLT, GMT, and GST together to support clubs. It's a whole-club approach that can energize every club. Help is all around you.

Innovative service. The GST helps clubs identify resources and use best practices to improve projects and impact. Quality service projects keep members coming back, and they help attract new members who are looking to serve.

Leadership development. The GLT provides leadership development opportunities that can empower Lions to lead and serve their communities. Strong leaders can help drive membership, champion new service projects and ensure that clubs are positioned for ongoing success.

Healthy membership. The GMT can help clubs develop effective membership programs to attract new members. And they can help clubs create a great membership experience that will keep new and seasoned members coming back. More members mean clubs can bring more service to the community.

Leadership, membership and service impact each other. Each of these key areas influences the others. Great leaders can drive membership and service. Great service can inspire new service-minded people to join us and give Lions opportunities to lead projects. And membership growth increases service impact and produces new leaders who can guide clubs into the future.

WHAT IS EXPECTED OF YOUR CLUB?

Global Service

Happy New Year, Lions!

In July, we are starting our 103rd year of Lionism. One big change is the way we report service projects. MYLION for the internet is available to download. I am available to assist you in the transition from MYLCI. This will be a good time to discuss any issues that you may be having.

I am also interested in adding any service projects you may want to share with the district.

Lion Ron Rich
Global Service Team Chair
Casper101@windstream.net

Suggested Service Projects-July-Sept.

- Donate hand sanitizer, tissues and other school supplies to a local school
- Collect clothes for a children's home
- Partner with a school, scout troop or other community organization
- Maintain a "Little Free Library"
- Collect used pill bottles to send to an organization that fills them for poor countries in need
- Hold a vision/hearing or diabetes screening
- Assist with Meals on Wheels deliveries
- Join or start a reading program at a school or library
- * Hold a food drive
- Join a local parade or host a festival booth
- Adopt a highway or a police officer
- Collect can tabs for the Leader Dog program
- Visit nursing homes and distribute treats
- Recycle eyeglasses
- Collect shoes, socks and underwear to restock school closets

Each club should elect or appoint the GAT members. Suggested members are the following:

Club Level - The club president will be the Global Action Team chairperson for the club.

- GLT club leadership development chairperson will be automatically filled by the club vice-president
- GMT club membership chairperson
- GST club service chairperson

I encourage each club to fill these positions and club secretaries should report them in MYLCI. This will enable members to receive important information and updates regarding their areas.
