## Join Lions! Make a Difference! - DG Jimmy Myers

Greetings, Fellow Lions.

Can you believe it is October? September 19-21 found me at the 43<sup>rd</sup> USA/Canada Lions Leadership Forum held in Spokane, Washington. The goal of this forum was to build Lion leaders. This year's Chair was our own PDG Paul Bledsoe of the Twin City Host Club. What a tremendous job by him to herd 1,600 Lions into a whole lot of seminars to improve ourselves in the work we do as Lions.

We started the Forum with a symposium on diabetes which has become epidemic in the world. Lion Michelle Gregory of the Welcome club is our Diabetes Awareness Chair for our district. She and I attended this symposium. She took really good notes, so consider her for a program on this disease which is the leading cause of blindness.

One seminar was led by our own PID Gwen White who brilliantly told the story of the VIP fishing tournament coming the 21-23rd of this month. I am volunteering at the tournament and would encourage all who can, to volunteer in this great service to our VIPs.

Lions PCC Gary and Liz Steele led seminars on Lions University and LEOs.

We were all very happy to see that Lion Gayle Cobb was able to attend after her recent illness. Lion Gayle, 1st VDG Donald Cobb, Michelle Gregory and I took in one of the tours sponsored by the Forum to the Grand Coulee Dam east of Spokane. The dam is one of the engineering wonders of the world. It harnesses the Columbia river to run water turbine powered electrical generators to provide electricity to the great northwest of our country. The river also provides irrigation to allow farming in the Spokane area. We saw huge grain fields and farms on the way to the dam. I was impressed with the results of hydropower.

We were inspired by Lions International President Dr. Jung-Yul Choi's theme of "Service through Diversity" at our Saturday luncheon. Needless to say, a good time was had by all. Next year's forum will be closer to us in Louisville, Kentucky. I have already registered. Our own PID Harvey Whitley is the Chair. North Carolina is truly a leader in Lions International.

Jimmy Myers, District Governor

## 1st VDG Donald Cobb — District Convention Is Only Weeks Away!

Are you planning to attend your district convention? I certainly hope so as your convention planning committee has been working hard to make sure it will be an enjoyable time.

Our District 31-I Lions Fall Convention will be held November 15 – 17, 2019 at the Greensboro – High Point Marriott Airport Hotel. We invite you to attend any or all of the convention as we celebrate the work we do in Lions. Registration for the early bird meal rates ends October 30<sup>th</sup>. You can register between October 31<sup>st</sup> and November 8<sup>th</sup>; however, you must register by calling Lion Liz Steele at 704-798-3471. Motel room reservations must be made by October 25<sup>th</sup> and may be made by calling the Marriott at 336-852-6450 or 800-228-9020.

The planning committee has established nine goals for this year's convention. We want the convention to (1) inspire, motivate, and renew enthusiasm for Lions across our district; (2) assist in improving communications across the district; (3) educate Lions through seminars and other activities; (4) allow individuals to build relationships with Lions across the district; (5) entice Lions who have not previously attended a district convention to attend the convention; (6) raise money for Brighter Visions; (7) increase Leo involvement in the district convention; (8) allow Lions to participate in a district service project which will be to pack meals for Rise Against Hunger; and (9) allow Lions the opportunity to HAVE FUN!

How are we going to accomplish those goals? We'll start with a Friday night Family Fun Night with food and entertainment. There are rumors a jail will be close by and with a District Governor who is a "sitting judge" along with other members of our district judicial system, the night is sure to be full of fun and surprises. There will also be music, and even Lions Bingo for those who want to take a chance on winning. And the theme of Friday night? None other than Jail House Rock!

Saturday will begin with a Tail Twisters Breakfast followed by a live auction to benefit Brighter Visions. A Brighter Visions Boutique along with a Zone Basket Raffle will also be available to raise funds for Brighter Visions. A Town Hall Meeting will be held with North Carolina's own Past International Director Gwen White where Lions can learn what is happening at all levels of the Lions organization. The afternoon will consist of a district cabinet meeting along with the election of district officers for the coming year. Plans are to conduct three seminars which promise to be of interest to all Lions. Saturday will end with our District Governor Banquet where PID Gwen White will address the group.

Sunday morning will be devoted to service. Following devotions, we will pack 10,000 meals for the Rise Against Hunger project and these meals will be sent to schools in developing countries to provide children with nutritious food that they desperately need.

As mentioned earlier, we want to get Leos involved with our district convention. If your club sponsors a Leo Club, please notify its members of this opportunity. Leos who submit their registration forms through your club will not have a charge for their meals at the convention.

With all these activities, our convention promises to be a time of fun, visiting with other Lions, learning a few things, conducting a little Lions business, and working together on a service project. We hope you will plan to attend. We'll see you there!

**Lion Donald Cobb - 1st Vice District Governor**

## 2nd VDG Wayne Kennerly

1st Vice Governor Donald Cobb and our Convention committee have been working hard to have a great Mid-Winter Convention November 15-17th in Greensboro. A fun night will be something to behold and all should try to make this event! I urge all Zone Chairs to please discuss this important Convention at all Zone meetings. We need to have the best turnout possible. Past District Gov. Butch Conrad would say do not drop the ball and be at this convention.

Our goal for LCIF is \$2.00 per member. Looking at Campaign 100, it has raised over 100 million and hopes to raise over 300 million the next 2 years. As lions we need to look at this program. LCIF has been a friend to NC as we normally receive much more money than we give due to our many hurricanes and other disasters. Why not give Past District Gov. Butch Conrad a call at 336-746-5946. He has an excellent program which we all need to hear.

A friend and founder of a food chain in Salisbury gave me some interesting thoughts that I have kept over the years; The winner is always part of the answer. The loser is always part of the problem. The winner always has a program, the loser always has an excuse. The winner says, let me do it for you. The loser says, that's not my job. The winner sees an answer in every problem. The loser sees a problem in every answer. When a winner makes a mistake, he says, I was wrong. When a loser makes a mistake, he says that it wasn't his fault. A winner says, I'm good, but not as good as I could be. The loser says, I'm not as bad as a lot of other people. A winner feels responsible for more than his job, a loser says, I only work here. This is just a little food for thought.

We all need to be winners. We can have the best year if we work just a little harder.

**Lion Wayne Kennerly - 2nd Vice District Governor**

## Brighter Visions

Wow! Look at these numbers for Brighter Visions. We are already tracking ahead of last year at this time. It's so good to see clubs stepping up quickly to contribute to our annual fund drive. The bills come in all through the year so we can't wait until next June to send in our help.

Keep filling those purple buckets with your loose change at your meetings and other events. This effort really picks up some significant extra for the cause.

Remember that contributions can and should be solicited from businesses, corporate sponsors and non-Lions in the community so don't hesitate to ask your neighbors to help.

If you would like to hear all about what Brighter Visions means and does, please call **Lion Bill Mathers** at **704-756-0046** to schedule a club visit.

## Global Action Team

### Global Leadership

Reports of Lions having issues reporting their service on MyLion continue. As previously noted, only about 20% of clubs in Constitutional Area 1 are currently reporting service activity. The valid concerns you have reported to me were forwarded to Lions Clubs International. In discussing MyLion issues with PID Jerome, our CA 1 GAT Leader, he advises that for now, let's focus on membership development and leadership training and encourage clubs to write their service activity down.

LCI will soon have a more robust MyLion training initiative. That will be the only way to bring Lions back on MyLion. In December, when things are better we can have a major service dump of data into the improved system. If clubs are having no issues, continue reporting service activity on MyLion.

GAT Specialist, Lion Richard Castillo, has advised that he is working with LCI's Product and Marketing Team to roll out an easy guide for GST Coordinators to provide to Zone Chairpersons to help clubs with service reporting. That basic "How to Guide" was available at the GAT Booth at the USA/Canada Forum in Spokane. If you attended the Forum, I hope you stopped by the booth and said hello to the GAT Leaders and Staff who were working there.

### Global Service

Greetings Lions,

Lions International is aware of all the issues we are having with reporting service projects thru "MyLion" website. So, until international can update the website, please make notes of your service projects and you will have an opportunity to report them at a later date. Sorry for the inconvenience but when the software doesn't perform as needed, it will cause these issues. International will let us know when MyLion is updated.

### Tail Twisters Auction

Our Tail Twisters' Auction will be held at our convention on Saturday morning, Nov. 16. ALL CLUBS are asked to provide at least ONE auction item worth \$25 or more. PLEASE do not bring several small items that total over \$25. These are hard to auction off, and we spend extra time trying to get folks to bid on them. YOUR Club gets Brighter Visions credit for the item(s) you bring, per the winning bid. For example: Your club provides an item that costs \$30 but sells for \$60. Your Club would get the \$60 credit added to their Brighter Visions donation.

LOOK in the next newsletter for some specialty items to be auctioned off.

TAIL TWISTERS, OR WANNABE TAIL TWISTERS!!! We need help in displaying items, holding items up to bid on, etc. We can do on the job training and guarantee lots of fun and laughter. SO Club Presidents, officers, members, send us your Tail Twisters or Wannabes, OR anyone who wants to help. Call 704-213-0891 or email [c.beckster@hotmail.com](mailto:c.beckster@hotmail.com).

### Jailhouse Rock

District 31-I Fall Convention is shaping up to be a fun, informative event. In honor of our District Governor, the Honorable Judge Jimmy Myers, we are calling Friday Fun Night "Jailhouse Rock".

And a Fun Night it will be -- Kicking off with a Poor Man's Supper of beans, greens and cornbread (to which we have added ham and other goodies). Court will be in session as Tail Twister Chris Beck will have a Jailhouse on-site, and no one is safe from charges being filed. There will be a \$5 fee (paid to Brighter Visions) to bring charges against someone to be brought before the Judge, The Right Honorable DG. Fines can be dealt with individually or with the help of your friends.

All this is going to prove that Lions put the FUN in FUNdraising. Dress code for the evening is casual with everyone invited to add to the atmosphere by dressing as Cops and Robbers or to depict any crime you may or may not have committed.

Music and a dance floor will be available throughout the evening. Be sure to check out table decorations with hardened criminals from around the District by Lion Diane Culp.

Lions Bingo will be played in the Hospitality Room following Fun Night in the ballroom.

One of the goals of the convention committee this year is to promote morale and fellowship, which go a long way to building happy, healthy Lions Clubs. Don't miss being a part of the fun or at least an observer!

PDG Theresa Matthews
